

The care and attention you deserve.

UnitedHealthcare Community Plan, helping people live healthier lives.

All your Medicaid benefits and more.

Thousands of doctors and clinics and hospitals across Mississippi are ready to help you.

Eye exams and glasses for children and adults. Your coverage includes routine eye exams to help protect you against serious diseases.

Visit your doctor as often as you need to. Choose your own Primary Care Provider and there's no limit.

Healthy tips and advice. Get the kind of information that helps you live a healthier, happier life.

Never pay a copay. It costs nothing to visit your Primary Care Provider, specialists or pharmacy.

Dental care for children and adults. Your coverage includes Primary Care Physician Dental Fluoride Varnish and routine exams which are important for healthy teeth and gums.

Get rewarded. You can receive free fresh vegetables weekly through our Farm to Fork program. Also, you will get a prepaid debit card if you see your Primary Care Physician within your first 90 days of membership.

Care Management when you need it. If you have asthma, diabetes or another long-term illness, one of our Care Managers will meet with you. They'll help you find the right doctor and understand your insurance.

Call our skilled nurses anytime. You can call our NurseLine™ day or night to get health advice or information.

Translation and other help. We want to make sure you can understand all our materials.

Enrolling is easy. For information call Mississippi Division of Medicaid (DOM) 1-800-421-2408 or 1-601-359-6050
