#### 1.4- TC

**Tribal Consultation** (Section 2107(e)(1)(C)) Describe the consultation process that occurred specifically for the development and submission of this State Plan Amendment, when it occurred and who was involved.

Refer to Section 2.3-TC for consultation process.

A notification letter with the draft MS SPA 20-0013-CHIP was submitted to the Tribe on December 5, 2019. The Tribe questioned if the CCOs will be reimbursing the full encounter rate as listed in the Federal Register. The Tribe was informed that the CCOs will be reimbursing one (1) encounter per day at the current encounter rate published in the Federal Register for services rendered effective November 1, 2019.

## **Section 2. General Background and Description of Approach to Children’s Health Insurance Coverage and Coordination**

- 2.1. Describe the extent to which, and manner in which, children in the State (including targeted low-income children and other groups of children specified) identified , by income level and other relevant factors, such as race, ethnicity and geographic location, currently have creditable health coverage (as defined in 42 CFR § 457.10). To the extent feasible, distinguish between creditable coverage under public health insurance programs and public-private partnerships (See Section 10 for annual report requirements). (Section 2102(a)(1)); (42 CFR § 457.80(a))

### **Demographics**

According to the latest available census reports, Mississippi's population is 2,986,530 (2017 Census).

According to the 2017 Census American Community Survey Tables for Health Insurance Coverage, there are 389,000 children currently under 200% of the Federal Poverty Level (FPL).

23.6% of the people in Mississippi are under the age of 18.

According to the 2017 Census reports, there are 747,000 (25%) children less than 19 years of age in the State of Mississippi.

For federal fiscal year (FFY) 2018, an average of 396,194 children under age 19 were enrolled in Medicaid or CHIP.

### **Medicaid Eligibles**

As of July 2019, , there are at least 343,903 Mississippi children less than 19 years of age currently enrolled in Medicaid.

### **CHIP**

Mississippi originally implemented CHIP in July 1998 with a Medicaid expansion program for children 15 to 18 years of age at 100% of the FPL. This phase of the program ended as of October 01, 2002. To date, the State's CHIP targets all children in the state below age 19 who are below 200% FPL, not eligible for Medicaid coverage, and have no other health coverage. According to the Census Bureau’s 2017 American Community Survey, there are 44,000 uninsured children in Mississippi less than 19 years of age and below 200% FPL who are not covered by Medicaid or CHIP. The goal is to assess these children for CHIP eligibility under a health coverage package. As of July 2019, 46,012 children were enrolled in CHIP.

**2.3-TC Tribal Consultation Requirements- (Sections 1902(a)(73) and 2107(e)(1)(C)) ; (ARRA #2, CHIPRA #3, issued May 28, 2009) Section 1902(a)(73) of the Social Security Act (the Act) requires a State in which one or more Indian Health Programs or Urban Indian Organizations furnish health care services to establish a process for the State Medicaid agency to seek advice on a regular, ongoing basis from designees of Indian health programs, whether operated by the Indian Health Service (IHS), Tribes or Tribal organizations under the Indian Self-Determination and Education Assistance Act (ISDEAA), or Urban Indian Organizations under the Indian Health Care Improvement Act (IHCA). Section 2107(e)(1)(C) of the Act was also amended to apply these requirements to the Children's Health Insurance Program (CHIP). Consultation is required concerning Medicaid and CHIP matters having a direct impact on Indian health programs and Urban Indian organizations.**

**Describe the process the State uses to seek advice on a regular, ongoing basis from federally-recognized tribes, Indian Health Programs and Urban Indian Organizations on matters related to Medicaid and CHIP programs and for consultation on State Plan Amendments, waiver proposals, waiver extensions, waiver amendments, waiver renewals and proposals for demonstration projects prior to submission to CMS. Include information about the frequency, inclusiveness and process for seeking such advice.**

The Mississippi Division of Medicaid consults with the tribe by notifying the Mississippi Band of Choctaw Indians (MBCI) designees, in writing, with a description of the proposed changes and direct impact, at least thirty (30) days prior to each submission by the State of any CHIP SPA that is likely to have a direct effect on Indians, Indian Health programs, or Urban Indian Organizations (I/T/U) by email. MCBI designees are the Choctaw Health Center's Deputy Director and the Director of Financial Services. Direct impact is defined as any CHIP program changes that are more restrictive for eligibility determinations, changes that reduce payment rates or payment methodologies to Indian Health Programs, Tribal Organizations, or Urban Indian Organization providers, reductions in covered services, changes in consultation policies, and CHIP proposals that may impact I/T/U providers. If no response is received from the tribe within thirty (30) days, the Mississippi Division of Medicaid will proceed with the submission to the Centers for Medicare and Medicaid Services (CMS).

If the Mississippi Division of Medicaid is not able to consult with the Tribe thirty (30) days prior to a submission, a copy of the proposed submission along with the reason for the urgency will be forwarded to the tribe designee. The Tribe may waive this notification time-frame requirement in writing via e-mail. If requested, a conference call with the MBCI designee and/or other tribal representatives will be held to review the submission and its impact on the tribe. The Mississippi Division of Medicaid will then confirm the discussion via email and request a response from the designee to ensure agreement on the submission. This documentation will be provided as part of the submission information to CMS.

The Choctaw Health Center's Deputy Director and the Director of Financial Services were notified by e-mail on September 19, 2019, of the proposed MS SPA 20-0013 - CHIP submission. Draft pages were submitted on January 5, 2020.

While not required, the Mississippi Division of Medicaid is conducting quarterly meetings with the tribe to discuss proposed Medicaid and CHIP program changes and other topics as permitted

by schedules. An in person meeting with the tribe was held on December 4, 2019, to discuss this proposed MS SPA 20-0013 – CHIP submission.

## Section 4. Eligibility Standards and Methodology

4.0.  Medicaid Expansion

4.0.1. Ages of each eligibility group and the income standard for that group:

4.1.  **Separate Program** Check all standards that will apply to the State plan. (42 CFR § 457.305(a) and 457.320(a))

4.1.0  Describe how the State meets the citizenship verification requirements. Include whether or not State has opted to use SSA verification option.

Social Security Administration (SSA) verification is the primary source used to verify citizenship for applying children. If citizenship cannot be successfully verified by SSA, documentation is requested for applying children. A 90-day reasonable opportunity period is granted to provide documentation, during which time benefits are granted if otherwise eligible.

4.1.1  Geographic area served by the Plan if less than Statewide:

4.1.2  Ages of each eligibility group, including unborn children and pregnant women (if applicable) and the income standard for that group:

Birth to age 1 – 194% FPL to 209% FPL.

Age 1 to age 6 – 133% FPL to 209% FPL.

Age 6 to age 19 – 133% FPL to 209% FPL.

4.1.2.1-PC  Age: \_\_\_\_\_ through birth (SHO #02-004, issued November 12, 2002)

4.1.3  Income of each separate eligibility group (if applicable):

4.1.3.1-PC  0% of the FPL (and not eligible for Medicaid) through \_\_\_\_\_% of the FPL (SHO #02-004, issued November 12, 2002)

4.1.4  Resources of each separate eligibility group (including any standards relating to spend downs and disposition of resources):

4.1.5  Residency (so long as residency requirement is not based on length of time in state):

4.1.6  Disability Status (so long as any standard relating to disability status does not restrict eligibility):

4.1.7  Access to or coverage under other health coverage:

Children with coverage under other creditable health coverage at the time of application and children who are eligible for Medicaid are not eligible for CHIP.

4.1.8  Duration of eligibility, not to exceed twelve (12) months:

Twelve (12) months from the effective date of coverage for CHIP or until the child reaches 19 years of age or otherwise loses protected eligibility under the continuous eligibility provision.

**4.1.9**  Other Standards- Identify and describe other standards for or affecting eligibility, including those standards in 457.310 and 457.320 that are not addressed above. For instance:

**4.1.9.1**  States should specify whether Social Security Numbers (SSN) are required.

**4.1.9.2**  Continuous eligibility

All CHIP and Medicaid children are granted twelve (12) continuous months of eligibility unless the child reaches age 19 or otherwise loses protected eligibility under the continuous eligibility provision.

**4.1-PW**  Pregnant Women Option (section 2112) The State includes eligibility for one or more populations of targeted low-income pregnant women under the plan. Describe the population of pregnant women that the State proposes to cover in this section. Include all eligibility criteria, such as those described in the above categories (for instance, income and resources) that will be applied to this population. Use the same reference number system for those criteria (for example, 4.1.1-P for a geographic restriction). Please remember to update sections 8.1.1-PW, 8.1.2-PW, and 9.10 when electing this option.

**4.1-LR**  Lawfully Residing Option (Sections 2107(e)(1)(J) and 1993(v)(4)(A); (CHIPRA # 17, SHO # 10-006 issued July 1, 2010) Check if the State is electing the option under section 214 of the Children's Health Insurance Program Reauthorization Act of 2009 (CHIPRA) regarding lawfully residing to provide coverage to the following otherwise eligible pregnant women and children as specified below who are lawfully residing in the United States including the following:

A child or pregnant woman shall be considered lawfully present if he or she is:

- (1) A qualified alien as defined in section 431 of PRWORA (8 U.S.C. §1641);
- (2) An alien in nonimmigrant status who has not violated the terms of the status under which he or she was admitted or to which he or she has changed after admission;
- (3) An alien who has been paroled into the United States pursuant to section 212(d)(5) of the Immigration and Nationality Act (INA) (8 U.S.C. §1182(d)(5)) for less than 1 year, except for an alien paroled for prosecution, for deferred inspection or pending removal proceedings;
- (4) An alien who belongs to one of the following classes:
  - (i) Aliens currently in temporary resident status pursuant to section 210 or 245A of the INA (8 U.S.C. §§1160 or 1255a, respectively);
  - (ii) Aliens currently under Temporary Protected Status (TPS) pursuant to section 244 of the INA (8 U.S.C. §1254a), and pending applicants for TPS who have been granted employment authorization;
  - (iii) Aliens who have been granted employment authorization under 8 CFR 274a.12(c)(9), (10), (16), (18), (20), (22), or (24);

- (iv) Family Unity beneficiaries pursuant to section 301 of Pub. L. 101-649, as amended;
  - (v) Aliens currently under Deferred Enforced Departure (DED) pursuant to a decision made by the President;
  - (vi) Aliens currently in deferred action status; or
  - (vii) Aliens whose visa petition has been approved and who have a pending application for adjustment of status;
- (5) A pending applicant for asylum under section 208(a) of the INA (8 U.S.C. § 1158) or for withholding of removal under section 241(b)(3) of the INA (8 U.S.C. § 1231) or under the Convention Against Torture who has been granted employment authorization, and such an applicant under the age of 14 who has had an application pending for at least 180 days;
  - (6) An alien who has been granted withholding of removal under the Convention Against Torture;
  - (7) A child who has a pending application for Special Immigrant Juvenile status as described in section 101(a)(27)(J) of the INA (8 U.S.C. § 1101(a)(27)(J));
  - (8) An alien who is lawfully present in the Commonwealth of the Northern Mariana Islands under 48 U.S.C. § 1806(e); or
  - (9) An alien who is lawfully present in American Samoa under the immigration laws of American Samoa.

- Elected for pregnant women.
- Elected for children under age \_\_\_\_\_.

**4.1.1-LR**  The State provides assurance that for an individual whom it enrolls in Medicaid under the CHIPRA Lawfully Residing option, it has verified, at the time of the individual's initial eligibility determination and at the time of the eligibility redetermination, that the individual continues to be lawfully residing in the United States. The State must first attempt to verify this status using information provided at the time of initial application. If the State cannot do so from the information readily available, it must require the individual to provide documentation or further evidence to verify satisfactory immigration status in the same manner as it would for anyone else claiming satisfactory immigration status under section 1137(d) of the Act.

**4.1-DS**  Supplemental Dental (Section 2103(c)(5) - A child who is eligible to enroll in dental-only supplemental coverage, effective January 1, 2009. Eligibility is limited to only targeted low-income children who are otherwise eligible for CHIP but for the fact that they are enrolled in a group health plan or health insurance offered through an employer. The State's CHIP plan income eligibility level is at least the highest income eligibility standard under its approved State child health plan (or under a waiver) as of January 1, 2009. All who meet the eligibility standards and apply for dental-only supplemental coverage shall be provided benefits. States choosing this option must report these children separately in SEDS. Please update sections 1.1-DS, 4.2-DS, and 9.10 when electing this option.

**4.2. Assurances The State assures by checking the box below that it has made the following findings with respect to the eligibility standards in its plan: (Section 2102(b)(1)(B) and 42 CFR § 457.320(b))**

- 4.2.1.  These standards do not discriminate on the basis of diagnosis.
- 4.2.2.  Within a defined group of covered targeted low-income children, these standards do not cover children of higher income families without covering children with a lower family income. This applies to pregnant women included in the State plan as well as targeted low-income children.
- 4.2.3.  These standards do not deny eligibility based on a child having a pre-existing medical condition. This applies to pregnant women as well as targeted low-income children.

**4.2-DS Supplemental Dental Please update sections 1.1-DS, 4.1-DS, and 9.10 when electing this option. For dental-only supplemental coverage, the State assures that it has made the following findings with standards in its plan: (Section 2102(b)(1)(B) and 42 CFR § 457.320(b))**

- 4.2.1-DS  These standards do not discriminate on the basis of diagnosis.
- 4.2.2-DS  Within a defined group of covered targeted low-income children, these standards do not cover children of higher income families without covering children with a lower family income.
- 4.2.3-DS  These standards do not deny eligibility based on a child having a pre-existing medical condition.

**4.3 Methodology. Describe the methods of establishing and continuing eligibility and enrollment. The description should address the procedures for applying the eligibility standards, the organization and infrastructure responsible for making and reviewing eligibility determinations, and the process for enrollment of individuals receiving covered services, and whether the State uses the same application form for Medicaid and/or other public benefit programs. (Section 2102)(b)(2)) (42 CFR §, 457.350)**

Eligibility for CHIP is determined in the same manner and by the same agency and staff as eligibility for Medicaid. Effective January 1, 2014, the State utilizes an alternative single, streamlined application developed by the State in accordance with section 1413(b)(1)(B) of the Patient Protection and Affordable Care Act (PPACA), as amended, and approved by the Secretary. These applications are available at community health centers, Head Start, health department clinics, other providers of care, the local DHS offices, the Mississippi Division of Medicaid website, and may be submitted via the internet website described in 42 CFR § 435.1200(f), by telephone, via mail, in person, via fax, and via secure email.

The State provides twelve (12) months of continuous enrollment in CHIP until the child reaches age 19 or otherwise loses protected eligibility under the continuous eligibility provision. Renewal will be conducted via administrative review based on available electronic sources. If determination is not possible based on available sources, a pre-populated renewal form will be issued to the beneficiary.

**4.3.1 Limitation on Enrollment Describe the processes, if any, that a State will use for instituting enrollment caps, establishing waiting lists, and deciding which children will be given priority for enrollment. If this section does not apply to your state, check the box below. (Section 2102(b)(4)) (42 CFR §, 457.305(b))**

Check here if this section does not apply to your State.

**4.3.2.**  Check if the State elects to provide presumptive eligibility for children that meets the requirements of section 1920A of the Act. (Section 2107(e)(1)(L)); (42 CFR § 457.355)

**4.3.3-EL Express Lane Eligibility**  Check here if the state elects the option to rely on a finding from an Express Lane agency when determining whether a child satisfies one or more components of CHIP eligibility. The state agrees to comply with the requirements of sections 2107(e)(1)(E) and 1902(e)(13) of the Act for this option. Please update sections 4.4-EL, 5.2-EL, 9.10, and 12.1 when electing this option. This authority may not apply to eligibility determinations made before February 4, 2009, or after September 30, 2013. (Section 2107(e)(1)(E))

**4.3.3.1-EL** Also indicate whether the Express Lane option is applied to (1) initial eligibility determination, (2) redetermination, or (3) both.

**4.3.3.2-EL** List the public agencies approved by the State as Express Lane agencies.

**4.3.3.3-EL** List the components/components of CHIP eligibility that are determined under the Express Lane. In this section, specify any differences in budget unit, deeming, income exclusions, income disregards, or other methodology between CHIP eligibility determinations for such children and the determination under the Express Lane option.

**4.3.3.3-EL** List the component/components of CHIP eligibility that are determined under the Express Lane.

**4.3.3.4-EL** Describe the option used to satisfy the screen and enrollment requirements before a child may be enrolled under title XXI.

#### 4.4 Eligibility screening and coordination with other health coverage programs

States must describe how they will assure that:

- 4.4.1.  Only targeted low-income children who are ineligible for Medicaid or not covered under a group health plan or health insurance (including access to a State health benefits plan) are furnished child health assistance under the plan.(Sections 2102)(b)(3)(A), 2110(b)(2)(B)) (42 CFR § 457.310(b), 42 CFR § 457.350(a)(1) and 42 CFR § 457.80(c)(3)) Confirm that the State does not apply a waiting period for pregnant women. Mississippi does not impose a waiting period for enrollment in CHIP. Enrollment in CHIP is possible in the month following the month coverage terminates from other creditable coverage.
- 4.4.2.  Children found through the screening process to be potentially eligible for medical assistance under the State Medicaid plan are enrolled for assistance under such plan; (Section 2102)(b)(3)(B)) (42 CFR §, 457.350(a)(2)) Each child is screened for Medicaid eligibility first and if determined ineligible and the child is uninsured, is evaluated for CHIP enrollment.
- 4.4.3.  Children found through the screening process to be ineligible for Medicaid are enrolled in CHIP; (Sections 2102(a)(1) and (2) and 2102(c)(2)) (42 CFR § 431.636(b)(4))

Children are screened for Medicaid eligibility first and if determined ineligible (and otherwise uninsured), are evaluated for CHIP enrollment.

- 4.4.4.  The insurance provided under the State child health plan does not substitute for coverage under group health plans; states should check the appropriate box. (Section 2102)(b)(3)(C)) (42 CFR § 457.805) (42 CFR § 457.810(a)-(c))

An applying child's current insurance status must be reported at the time of application and annual review. If the CHIP CCOs discover that a claim submitted lists any other insurance coverage for an eligible CHIP child, the CCOs provide this information to the Mississippi State Office of the Division of Medicaid for further investigation. Pending the findings, CHIP eligibility may or may not be terminated.

4.4.4.1.  (formerly 4.4.4.4) If the State provides coverage under a premium assistance program, describe: 1) the minimum period without coverage under a group health plan. This should include any allowable exceptions to the waiting period; 2) the expected minimum level of contribution employers will make; and 3) how cost-effectiveness is determined.

- 4.4.5  Child health assistance is provided to targeted low-income children in the State who are American Indian and Alaska Native. (Section 2102)(b)(3)(D)) (42 CFR § 457.125(a))

#### 4.4-EL The State should designate the option it will be using to carry out screen and enroll requirements:

- The State will continue to use the screen and enroll procedures required under section 2102(b)(3)(A) and (B) of the Social Security Act and 42 CFR § 457.350(a) and 42 CFR § 457.80(c). Describe this process.

- The State is establishing a screening threshold set as a percentage of the Federal poverty level (FPL) that exceeds the highest Medicaid income threshold applicable to a child by a minimum of 30 percentage points. (NOTE: The State may set this threshold higher than 30 percentage points to account for any differences between the income calculation methodologies used by the Express Lane agency and those used by the State for its Medicaid program. The State may set one screening threshold for all children, based on the highest Medicaid income threshold, or it may set more than one screening threshold, based on its existing, age-related Medicaid eligibility thresholds.) Include the screening threshold(s) expressed as a percentage of the FPL, and provide an explanation of how this was calculated.
  
- The State is temporarily enrolling children in CHIP, based on the income finding from the Express Lane agency, pending the completion of the screen and enroll process.

## **Section 5. Outreach and Coordination**

### **5.1. (formerly 2.2) Describe the current State efforts to provide or obtain creditable health coverage for uninsured children by addressing sections 5.1.1 and 5.1.2. (Section 2102)(a)(2) (42 CFR § 457.80(b))**

#### **5.1.1. (formerly 2.2.1.) The steps the State is currently taking to identify and enroll all uninsured children who are eligible to participate in public health insurance programs (i.e., Medicaid and state-only child health insurance):**

Medicaid and CHIP are the only public health insurance programs in the State of Mississippi for children. Health services are provided in Mississippi to uninsured and Medicaid enrolled children by private physicians, 82 Mississippi County Health Department clinics operating at 87 sites, 21 federally qualified health centers (FQHC), newly-funded school health nurses, and several Indian Health Service Clinics. In addition, CHIP provides specialty care to uninsured and Medicaid enrolled children with special health care needs. The Department of Mental Health (DMH) provides mental health services to children through their Community Mental Health Clinics on a sliding scale fee arrangement based upon the patient's declared income. Program information presentations are provided on an on-going basis to schools and Head Start programs in the state, inviting families to apply for health benefits (Medicaid or CHIP). Applications, pamphlets, flyers, and posters are widely distributed.

#### **Mississippi State Department of Health (MSDH)**

This agency administers services and programs for Medicaid recipients and uninsured families and children, such as, perinatal high risk management/infant services system (PHRM/ISS), women, infants and children (WIC), environmental protection, comprehensive reproductive health, newborn genetic screening, well child health services, immunizations, and disease tracking and outbreak management. MSDH operates a county health department system of 87 sites and 96 WIC distribution centers. MSDH partners with the Mississippi Division of Medicaid in providing targeted case management services for high risk pregnant women and infants and early intervention program for infants and toddlers who have developmental delays, or a birth condition that could cause a developmental delay. This agency is an integral part of the outreach system for identifying Medicaid and CHIP eligible children.

#### **Mississippi Department of Human Services (DHS)**

This agency provides programs and services to needy and disadvantaged individuals and families through Temporary Assistance for Needy Families (TANF), food stamps, employment/training programs, literacy programs, childcare programs, child abuse and neglect services, foster care and adoption services, child support and medical support enforcement services, and providing care and treatment for children properly committed to the agency's custody. With offices in all 82 counties, this agency is integral in targeting and enrolling Medicaid and CHIP eligible children.

#### **Mississippi Department of Rehabilitation Services (MDRS)**

This agency provides rehabilitation services to eligible disabled adults and children who are on Medicaid or who are uninsured. In addition, it currently processes and renders disability decisions on applications for Social Security Disability and Supplemental Security Income Disability and for the State's Medicaid blind and disabled coverage groups. This agency will be integral in identifying and referring children eligible for Medicaid and CHIP.

### **Department of Mental Health (DMH)**

Individuals receive services from DMH in addition to the fourteen (14) public Community Mental Health Center regions and a network of private mental health, substance use treatment and intellectual and developmentally disabled service provider agencies.

These providers serve the Medicaid population, as well as the uninsured, particularly children and will be integral in identifying individuals who may be Medicaid or CHIP eligible and referring them to the Division of Medicaid who is responsible for determining eligibility for Medicaid and CHIP.

### **Mississippi Division of Medicaid (DOM)**

The Mississippi Division of Medicaid provides a statewide system of medical assistance, health care, and remedial and institutional services under Titles XXI, XIX, and XVIII of the Social Security Act. In partnership with DHS, MSDH, and DMH, the Mississippi Division of Medicaid identifies and enrolls Medicaid eligible children. This partnership has been maintained and strengthened to identify and enroll CHIP eligible children. MSDH and DMH serve as providers of services to Medicaid/CHIP eligible children and to uninsured children. The Mississippi Division of Medicaid works with these agencies and a statewide coalition of other partners to identify, enroll, and retain eligible children for the Mississippi Medicaid and CHIP. Through this avenue, the Medicaid agency will be able to utilize the schools to identify Medicaid and CHIP eligible children. With out-stationed workers in FQHCs, disproportionate share hospitals (DSH) and MSDH Clinics, the Division of Medicaid will utilize these service providers to identify Medicaid and CHIP eligible children. The Medicaid agency will increase its reliance on primary care providers (PCP) to disseminate information about eligibility for both Medicaid and CHIP for children through its Medical Care Advisory Committee.

- 5.1.2.** (formerly 2.2.2.) The steps the State is currently taking to identify and enroll all uninsured children who are eligible to participate in health insurance programs that involve a public-private partnership:

N/A

- 5.2. (formerly 2.3) Describe how CHIP coordinates with other public and private health insurance programs, other sources of health benefits coverage for children, other relevant child health programs, (such as title V), that provide health care services for low-income children to increase the number of children with creditable health coverage. Section 2102(a)(3) and 2102(c)(2) and 2102(b)(3)(E))(42 CFR § 457.80(c)). This item requires a brief overview of how Title XXI efforts -- particularly new enrollment outreach efforts will**

**be coordinated with and improve upon existing State efforts described in Section 5.2.**

As discussed previously, there are no other public or private programs designed to provide creditable coverage for low-income children. The Mississippi Division of Medicaid has ongoing communications with private health insurance groups, is present at their professional meetings, provides program information and updates, and has an exchange of referrals.

**5.2-EL The State should include a description of its election of the Express Lane eligibility option to provide a simplified eligibility determination process and expedited enrollment of eligible children into Medicaid or CHIP.**

**5.3 Strategies**

**Outreach**

Medicaid and CHIP applications and information are distributed statewide through health care providers and a statewide coalition of collaborative partners. Through these providers and collaborative partners, families are informed of the availability of coverage under Titles XIX and XXI. Outreach activities consist of efforts to identify and enroll children who are eligible for both Medicaid and CHIP. As previously discussed, Medicaid and CHIP are the only public health insurance programs for children in the state, and there is currently no private health coverage for children who cannot afford to pay for it. Thus, Medicaid and CHIP enrollment represent the only viable public alternatives for the State's children to have creditable insurance coverage in this targeted population. The State recognizes the importance of outreach to families of children likely to be eligible for assistance and to encourage them to enroll and retain their children, the State has done the following:

- (a) Reduced barriers to participation by using the alternative single, streamlined application as described in PPACA.
- (b) Engaged in provider education efforts because providers are a vital link to this population;
- (c) Initiated cooperative efforts with MSDH, DHS, DMH, and MDRS regarding public awareness of these two programs;
- (d) Developed statewide coalitions to assist with the dissemination of materials and conducting a variety of outreach strategies such as health fairs and forums, development of informational fliers, posters, and other promotional items;
- (e) Engaged the print and radio media as a means to educate providers;
- (f) Coordinated a number of community based initiatives to educate families with potentially eligible children;
- (g) Partnered with entities and programs through local and state inter-agency councils, school-based health programs, and other community organizations whose missions include services to families and children; and
- (h) Out-stationed Medicaid specialists at FQHCs, Disproportionate Share Hospitals, County Health Departments, and Indian reservations. Beyond administering outreach, the State will ensure that staff at the appropriate state agencies will be well-trained to respond to inquiries from the public and provide progress reports to advocacy groups, the Legislature, and other interested parties.

## **Special Populations**

The State works continuously with the Native American and Asian populations with the Medicaid and CHIP programs. The State has out stationed Medicaid specialists at Native Americans' Health Facilities across the state in order to identify and enroll the children in either CHIP or Medicaid. On-going communication, technical assistance, and program information are provided to the coastal Catholic Charities Refugee Center that provides services to the largest Asian population in the State.

Teens will be reached through the Mississippi Division of Medicaid's outreach partners such as Jackson Hinds Community Health Center and Children Defense Fund who go into schools to conduct outreach for eligibility. The State will also rely on the MSDH clinics to help identify and enroll teens through family planning and other health outreach programs. The State has also identified public events, school, church, and community teen activities that reach teens.

The State works closely with the Mississippi School for the Deaf and the Mississippi School for the Blind to identify and enroll visually and hearing impaired children and also rely on their staff as resources for developing print and visual material for hearing impaired and audio material for vision impaired children and their families to learn about CHIP. The State also has language assistance available to help with outreach and enrollment for hearing impaired children and limited English speaking population.

The State has targeted two areas of limited English proficiency: Spanish speaking families in the Southern part of the state and Vietnamese speaking families throughout the state. The State has subscribed to a language line service to help with on-site screening and enrollment processes. The Mississippi Division of Medicaid's website is available in multiple languages.

The State works closely with children's advocacy groups to define and find solutions to various barriers to enrollment in health programs for children, including Medicaid and CHIP.

**Section 6. Coverage Requirements for Children’s Health Insurance**

Check here if the State elects to use funds provided under Title XXI only to provide expanded eligibility under the State’s Medicaid plan and proceed to Section 7 since children covered under a Medicaid expansion program will receive all Medicaid covered services including EPSDT.

**appropriate option. To be approved, the State must address the following: (Section 2105(c)(2) and (3)) (42 CFR § 457.1005 and 457.1010)**

**6.4.1.  Cost Effective Coverage-** Payment may be made to a State in excess of the 10% limitation on use of funds for payments for: 1) other child health assistance for targeted low-income children; 2) expenditures for health services initiatives under the plan for improving the health of children (including targeted low-income children and other low-income children); 3) expenditures for outreach activities as provided in Section 2102(c)(1) under the plan; and 4) other reasonable costs incurred by the State to administer the plan, if it demonstrates the following (42 CFR § 457.1005(a)):

**6.4.1.1.** Coverage provided to targeted low-income children through such expenditures must meet the coverage requirements above; Describe the coverage provided by the alternative delivery system. The State may cross reference Section 6.2.1 - 6.2.28. (Section 2105(c)(2)(B)(i)) (42 CFR § 457.1005(b))

**6.4.1.2.** The cost of such coverage must not be greater, on an average per child basis, than the cost of coverage that would otherwise be provided for the coverage described above; Describe the cost of such coverage on an average per child basis. (Section 2105(c)(2)(B)(ii)) (42 CFR § 457.1005(b))

**6.4.1.3.** The coverage must be provided through the use of a community based health delivery system, such as through contracts with health centers receiving funds under Section 330 of the Public Health Service Act or with hospitals such as those that receive disproportionate share payment adjustments under Section 1886(c)(5)(F) or 1923 of the Social Security Act. Describe the community-based delivery system. (Section 2105(c)(2)(B)(iii)) (42 CFR § 457.1005(a))

**6.4.2.  Purchase of Family Coverage-** Describe the plan to purchase family coverage. Payment may be made to a State for the purpose of family coverage under a group health plan or health insurance coverage that includes coverage of targeted low-income children, if it demonstrates the following: (Section 2105(c)(3)) (42 CFR § 457.1010)

**6.4.2.1.** Purchase of family coverage is cost-effective. The State's cost of purchasing family coverage, including administrative expenditures, that includes coverage for the targeted low-income children involved or the family involved (as applicable) under premium assistance programs must not be greater than the cost of obtaining coverage under the State plan for all eligible targeted low-income children or families involved; and (2) The State may base its demonstration of cost effectiveness on an assessment of the cost of coverage, including administrative costs, for children or families under premium assistance programs to the cost of other CHIP coverage for these children or families, done on a case-by-case basis, or on the cost of premium assisted coverage in the aggregate.

**6.4.2.2.** The State assures that the family coverage would not otherwise substitute for health insurance coverage that would be provided to such children but for the purchase of family coverage. (Section 2105(c)(3)(B)) (42 CFR § 457.1010(b))

**6.4.2.3.** The State assures that the coverage for the family otherwise meets title XXI

requirements. (42 CFR § 457.1010(c))

**6.4.3-PA: Additional State Options for Providing Premium Assistance** (CHIPRA # 13, SHO # 10-002 issued February, 2, 2010) A State may elect to offer a premium assistance subsidy for qualified employer-sponsored coverage, as defined in Section 2105(c)(10)(B), to all targeted low-income children who are eligible for child health assistance under the plan and have access to such coverage. No subsidy shall be provided to a targeted low-income child (or the child's parent) unless the child voluntarily elects to receive such a subsidy. (Section 2105(c)(10)(A)). Please remember to update section 9.10 when electing this option. Does the State provide this option to targeted low-income children?

Yes  
 No

**6.4.3.1-PA Qualified Employer-Sponsored Coverage and Premium Assistance Subsidy**

**6.4.3.1.1-PA** Provide an assurance that the qualified employer-sponsored insurance meets the definition of qualified employer-sponsored coverage as defined in Section 2105(c)(10)(B), and that the premium assistance subsidy meets the definition of premium assistance subsidy as defined in 2105(c)(10)(C).

**6.4.3.1.2-PA** Describe whether the State is providing the premium assistance subsidy as reimbursement to an employee or for out-of-pocket expenditures or directly to the employee's employer.

**6.4.3.2-PA: Supplemental Coverage for Benefits and Cost Sharing Protections Provided under the Child Health Plan.**

**6.4.3.2.1-PA** If the State is providing premium assistance for qualified employer-sponsored coverage, as defined in Section 2105(c)(10)(E)(i), provide an assurance that the State is providing for each targeted low-income child enrolled in such coverage, supplemental coverage consisting of all items or services that are not covered or are only partially covered, under the qualified employer-sponsored coverage consistent with 2103(a) and cost sharing protections consistent with Section 2103(e).

**6.4.3.2.2-PA** Describe whether these benefits are being provided through the employer or by the State providing wraparound benefits.

**6.4.3.2.3-PA** If the State is providing premium assistance for benchmark or benchmark-equivalent coverage, the State ensures that such group health plans or health insurance coverage offered through an employer will be certified by an actuary as coverage that is equivalent to a benchmark benefit package described in Section 2103(b) or benchmark equivalent coverage that meets the requirements of Section 2103(a)(2).

**6.4.3.3-PA: Application of Waiting Period Imposed Under State Plan:** States are required to apply the same waiting period to premium assistance as is applied to direct coverage

for children under their CHIP State plan, as specified in Section 2105(c)(10)(F).

**6.4.3.3.1-PA** Provide an assurance that the waiting period for children in premium assistance is the same as for those children in direct coverage (if State has a waiting period in place for children in direct CHIP coverage).

**6.4.3.4-PA: Opt-Out and Outreach, Education, and Enrollment Assistance**

**6.4.3.4.1-PA** Describe the State's process for ensuring parents are permitted to disenroll their child from qualified employer-sponsored coverage and to enroll in CHIP effective on the first day of any month for which the child is eligible for such assistance and in a manner that ensures continuity of coverage for the child (Section 2105(c)(10)(G)).

**6.4.3.4.2-PA** Describe the State's outreach, education, and enrollment efforts related to premium assistance programs, as required under Section 2102(c)(3). How does the State inform families of the availability of premium assistance, and assist them in obtaining such subsidies? What are the specific significant resources the State intends to apply to educate employers about the availability of premium assistance subsidies under the State child health plan? (Section 2102(c))

**6.4.3.5-PA: Purchasing Pool-** A State may establish an employer-family premium assistance purchasing pool and may provide a premium assistance subsidy for enrollment in coverage made available through this pool (Section 2105(c)(10)(I)). Does the State provide this option?

- Yes  
 No

**6.6.3.5.1-PA** Describe the plan to establish an employer-family premium assistance purchasing pool.

**6.6.3.5.2-PA** Provide an assurance that employers who are eligible to participate: 1) have less than 250 employees; 2) have at least one employee who is a pregnant woman eligible for CHIP or a member of a family that has at least one child eligible under the State's CHIP plan.

**6.6.3.5.3-PA** Provide an assurance that the State will not claim for any administrative expenditures attributable to the establishment or operation of such a pool except to the extent such payment would otherwise be permitted under this title.

**6.4.3.6-PA Notice of Availability of Premium Assistance-** Describe the procedures that assure that if a State provides premium assistance subsidies under this Section, it must: 1) provide as part of the application and enrollment process, information describing the availability of premium assistance and how to elect to obtain a subsidy; and 2) establish other procedures to ensure that parents are fully informed of the choices for child health assistance or through the receipt of premium assistance subsidies (Section 2105(c)(10)(K)).

**6.4.3.6.1-PA** Provide an assurance that the State includes information about premium assistance on the CHIP application or enrollment form.

## **Section 9. Strategic Objectives and Performance Goals and Plan Administration**

### **9.1. Describe strategic objectives for increasing the extent of creditable health coverage among targeted low-income children and other low-income children: (Section 2107(a)(2)) (42 CFR § 457.710(b))**

1. The infrastructure of the Mississippi Medicaid agency will continue to accommodate all critical facets of outreach and eligibility determination for the Title XXI program.
2. Low income children who were previously without health insurance coverage will have health insurance coverage through Mississippi's Title XXI program.
3. Children enrolled in CHIP will have adequate access to primary care, inpatient care, and pharmacy services.
4. Children enrolled in CHIP will receive appropriate preventive and primary care services.
5. Families of CHIP enrollees will be surveyed annually regarding their satisfaction with the services provided under the Program.

### **9.2. Specify one or more performance goals for each strategic objective identified: (Section 2107(a)(3)) (42 CFR § 457.710(c))**

#### **Performance Goal for Objective 1:**

The Mississippi Division of Medicaid will continue to support data systems modification, eligibility determinations, enrollment, participation information, health service utilization, billing, health status, provider information, personnel- (i.e., eligibility workers, administrative and support staff), staff training, publications and documents for the CHIP program.

#### **Performance Goals for Objective 2:**

Continue to screen for CHIP eligibility for those children whose family income is between 133% and 209% FPL

#### **Performance Goal for Objective 3:**

At least 85% of children enrolled in CHIP will have access to a primary care physician within 15 miles in urban/suburban areas and 30 miles in rural areas.

At least 85% of children enrolled in CHIP will have access to a hospital within 30 miles in urban/suburban areas and 60 miles in rural areas.

At least 85% of children enrolled in CHIP will have access to a pharmacy within 30 miles in urban/suburban areas and 60 miles in rural areas.

#### **Performance Goal for Objective 4:**

At least 85% of children 2 years of age enrolled in CHIP will receive all immunizations as recommended by ACIP.

At least 85% of CHIP enrollees between 2 to 6 years of age will receive at least one (1) preventive or primary care visit during the year.

At least 85% of children in CHIP will receive required screenings.

**Performance Goals for Objective 5:**

At least 70% of families responding to the member satisfaction survey will express satisfaction with customer service and provider access.

**9.3. Describe how performance under the plan will be measured through objective, independently verifiable means and compared against performance goals in order to determine the State's performance, taking into account suggested performance indicators as specified below or other indicators the State develops: (Section 2107(a)(4)(A),(B)) (42 CFR § 457.710(d))**

The CCOs will provide encounter data to the State's fiscal agent so the analytics vendor can produce required reports to the Mississippi Division of Medicaid for further analysis.

The fiscal agent and DOM's contracted analytics engine will be able to measure and track enrollment data and the following Healthcare Effectiveness Data and Information Set (HEDIS) performance measures for the targeted CHIP population:

- (a) Well child visits in the 3rd, 4th, 5th, and 6th years of life;
- (b) Use of appropriate medications for children with asthma;
- (c) Children's access to primary care practitioners;
- (d) Drug utilization;
- (e) Inpatient utilization – general hospital/acute care;
- (f) Mental health utilization; and
- (g) Annual dental visits.

**Objective 1:**

Eligibility and enrollment are evaluated on an ongoing basis. Reports from Envision, the Mississippi Division of Medicaid's patient information management system, on the number of applications approved, both pending and denied are reviewed on a monthly basis and appropriate interventions are implemented as indicated. The activities of each Medicaid specialist are monitored to determine maximum worker caseload.

**Objective 2:**

Enrollment is measured by the Mississippi Division of Medicaid, which provides eligibility determination services for both Medicaid and CHIP.

**Objective 3:**

Access is measured by the CCOs using GeoAccess software applied to the CHIP enrollment file and network provider file.

Utilization of preventive and primary care services is measured by the CCOs. The CCOs will provide encounter data to the State's fiscal agent so that the analytics vendor can produce required reports and provide the data to the Mississippi Division of Medicaid for further analysis.

**Objective 4:**

Satisfaction is measured by the CCOs through an annual member satisfaction survey.

Check the applicable suggested performance measurements listed below that the State plans to use: (Section 2107(a)(4))

- 9.3.1.  The increase in the percentage of Medicaid-eligible children enrolled in Medicaid.
- 9.3.2.  The reduction in the percentage of uninsured children.
- 9.3.3.  The increase in the percentage of children with a usual source of care.
- 9.3.4.  The extent to which outcome measures show progress on one or more of the health problems identified by the state.
- 9.3.5.  HEDIS Measurement Set relevant to children and adolescents younger than 19.
- 9.3.6.  Other child appropriate measurement set. List or describe the set used.
- 9.3.7.  If not utilizing the entire HEDIS Measurement Set, specify which measures will be collected, such as:
  - 9.3.7.1.  Immunizations
  - 9.3.7.2.  Well childcare
  - 9.3.7.3.  Adolescent well visits
  - 9.3.7.4.  Satisfaction with care
  - 9.3.7.5.  Mental health
  - 9.3.7.6.  Dental care
  - 9.3.7.7.  Other, list: Access to primary care
- 9.3.8.  Performance measures for special targeted populations.
- 9.4.  The State assures it will collect all data, maintain records and furnish reports to the Secretary at the times and in the standardized format that the Secretary requires. (Section 2107(b)(1)) (42 CFR § 457.720)
- 9.5.  The State assures it will comply with the annual assessment and evaluation required under Section 10. Briefly describe the State's plan for these annual assessments and reports. (Section 2107(b)(2)) (42 CFR § 457.750)

The Medicaid agency uses the same staff to evaluate and assess CHIP quality of care.

There are reliable state-wide or comparable sub-group measures of morbidity of the Medicaid population to measure the effectiveness of the coverage of individuals enrolled in this proposed expansion.

In CHIP, the CCOs submit encounter data to the fiscal agent. The system generates standard reports and enables ad hoc reporting.

- 9.6.  The State assures it will provide the Secretary with access to any records or information relating to the plan for purposes of review of audit. (Section 2107(b)(3)) (42 CFR § 457.720)
- 9.7.  The State assures that, in developing performance measures, it will modify those measures to meet national requirements when such requirements are developed. (42 CFR § 457.710(e))
- 9.8. The State assures, to the extent they apply, that the following provisions of the Social Security Act will apply under Title XXI, to the same extent they apply to a State under Title XIX: (Section 2107(e)) (42 CFR § 457.135)
- 9.8.1.  Section 1902(a)(4)(C) (relating to conflict of interest standards)
- 9.8.2.  Paragraphs (2), (16) and (17) of Section 1903(i) (relating to limitations on payment)
- 9.8.3.  Section 1903(w) (relating to limitations on provider donations and taxes)
- 9.8.4.  Section 1132 (relating to periods within which claims must be filed)
- 9.9. **Describe the process used by the State to accomplish involvement of the public in the design and implementation of the plan and the method for insuring ongoing public involvement. (Section 2107(c)) (42 CFR § 457.120(a) and (b))**

The process of design and implementation of CHIP was open to allow input and participation from various interested and affected parties. Initial decisions were reached during the 1998 Legislative session in which Legislators received input from recipients, providers, advocates, the business community, medical care industry, and religious and political leaders. Phase I of CHIP was set forth in statute, together with a Commission to design Phase II. Phase I CHIP was publicized in the routine manner through the State of Mississippi's Administrative Procedures Act. The CHIP Commission was appointed, according to state statute, to develop proposals regarding benefits, funding, and eligibility of children. The CHIP Commission meetings were open to the public, as were the meetings of the three subcommittees established to develop recommendations with respect to structure, benefits and eligibility and outreach. Public hearings were held in four locations across the state, and an advance notice of these meetings was published in both the newspaper with statewide distribution as well as local papers. In addition, the Mississippi Division of Medicaid authored news releases, editorials, and public service announcements on educational television and public radio. To date, information about and application for the State's CHIP is available on the Internet at the Mississippi Division of Medicaid's web page <http://www.medicaid.ms.gov>. The Mississippi Division of Medicaid has established statewide coalitions not only to assist with dissemination of Mississippi Health Benefit (MHB) applications and materials but also to relay families' experiences and concerns to

the Mississippi Division of Medicaid. Finally, the Mississippi Division of Medicaid has maintained an extensive mailing list, and all materials and updates developed are distributed ongoing to all included therein.

- 9.9.1** Describe the process used by the State to ensure interaction with Indian Tribes and organizations in the State on the development and implementation of the procedures required in 42 CFR § 457.125. States should provide notice and consultation with Tribes on proposed pregnant women expansions. (Section 2107(c)) (42 CFR § 457.120(c))

Refer to Section 2.3-TC.

- 9.9.2** For an amendment relating to eligibility or benefits (including cost sharing and enrollment procedures), describe how and when prior public notice was provided as required in 42 CFR § 457.65(b) through (d). **9.9.2** Describe the State's interaction, consultation, and coordination with any Indian tribes and organizations in the State regarding implementation of the Express Lane eligibility option.

## **GLOSSARY**

Adapted directly from SEC. 2110. DEFINITIONS.

**CHILD HEALTH ASSISTANCE-** For purposes of this title, the term `child health assistance' means payment for part or all of the cost of health benefits coverage for targeted low-income children that includes any of the following (and includes, in the case described in Section 2105(a)(2)(A), payment for part or all of the cost of providing any of the following), as specified under the State plan:

- a. Prescribed by or furnished by a physician or other licensed or registered practitioner within the scope of practice as defined by State law,
  - b. Performed under the general supervision or at the direction of a physician, or
  - c. Furnished by a health care facility that is operated by a State or local government or is licensed under State law and operating within the scope of the license.
24. Premiums for private health care insurance coverage.
  25. Medical transportation.
  26. Enabling services (such as transportation, translation, and outreach services) only if designed to increase the accessibility of primary and preventive health care services for eligible low-income individuals.
  27. Any other health care services or items specified by the Secretary and not excluded under this section.

**TARGETED LOW-INCOME CHILD DEFINED-** For purposes of this title—

1. **IN GENERAL-** Subject to paragraph (2), the term `targeted low-income child' means a child—
  - a. who has been determined eligible by the State for child health assistance under the State plan;
  - b. (i) who is a low-income child, or  
(ii) is a child whose family income (as determined under the State child health plan) exceeds the Medicaid applicable income level (as defined in paragraph (4)), but does not exceed 50 percentage points above the Medicaid applicable income level; and
  - c. who is not found to be eligible for medical assistance under title XIX or covered under a group health plan or under health insurance coverage (as such terms are defined in Section 2791 of the Public Health Service Act).
2. **CHILDREN EXCLUDED-** Such term does not include—
  - a. a child who is a resident of a public institution or a patient in an institution for mental diseases; or
  - b. a child who is a member of a family that is eligible for health benefits coverage under a State health benefits plan on the basis of a family member's employment with a public agency in the State.
3. **SPECIAL RULE-** A child shall not be considered to be described in paragraph (1)(C) notwithstanding that the child is covered under a health insurance coverage program that has been in operation since before July 1, 1997, and that is offered by a State which receives no Federal funds for the program's operation.
4. **MEDICAID APPLICABLE INCOME LEVEL-** The term `Medicaid applicable income level' means, with respect to a child, the effective income level (expressed as a percent of the poverty line) that has been specified under the State plan under title XIX (including under a waiver authorized by the Secretary or under Section 1902(r)(2)), as of June 1, 1997, for the child to be eligible for medical assistance under Section 1902(l)(2) for the age of such child.
5. **TARGETED LOW-INCOME PREGNANT WOMAN.**—The term `targeted low-income pregnant woman' means an individual—“(A) during pregnancy and through the end of the month in which the 60-day period (beginning on the last day of her pregnancy) ends; “(B) whose family income exceeds 185 percent (or, if higher, the percent applied under subsection (b)(1)(A)) of the poverty line applicable to a family of the size involved, but does not exceed the income eligibility level established under the State child health plan under this title for a targeted low-income child; and “(C) who satisfies the requirements of paragraphs (1)(A), (1)(C), (2), and (3) of Section 2110(b) in

the same manner as a child applying for child health assistance would have to satisfy such requirements.

ADDITIONAL DEFINITIONS- For purposes of this title:

1. CHILD- The term `child' means an individual under 19 years of age.
2. CREDITABLE HEALTH COVERAGE- The term `creditable health coverage' has the meaning given the term `creditable coverage' under Section 2701(c) of the Public Health Service Act (42 U.S.C. 300gg(c)) and includes coverage that meets the requirements of section 2103 provided to a targeted low-income child under this title or under a waiver approved under section 2105(c)(2)(B) (relating to a direct service waiver).
3. GROUP HEALTH PLAN; HEALTH INSURANCE COVERAGE; ETC- The terms `group health plan', `group health insurance coverage', and `health insurance coverage' have the meanings given such terms in Section 2191 of the Public Health Service Act.
4. LOW-INCOME CHILD - The term `low-income child' means a child whose family income is at or below 200 percent of the poverty line for a family of the size involved.
