Methods and Standards for Establishing Payment Rates – Other Types of Care

Physicians' services – Fees for Medicaid physician services are updated July 1 of each year and are reimbursed at ninety percent (90%) of the Medicare Physician Fee Schedule in effect as of January 1 of each year. All rates are published at <https://medicaid.ms.gov/providers/fee-schedules-and-rates/#>.

Primary Care Physician Payment:

The Division of Medicaid will continue to reimburse for services provided by physicians who self-attest as having a primary specialty designation of family medicine, pediatric medicine or internal medicine formerly authorized by 42 C.F.R. § 447.400(a).

Effective July 1, 2016, the Division of Medicaid will reimburse for services provided by obstetricians and gynecologists (OB/GYNs) with a primary specialty/subspecialty designation in obstetric/gynecologic medicine who attest to one (1) of the following:

- 1) Physician is board certified by the American Congress of Obstetricians and Gynecologists (ACOG) as a specialist or subspecialist in obstetric/gynecologic medicine, or
- 2) Physician with a primary specialty/subspecialty designation in obstetric/gynecologic medicine and has furnished the evaluation and management services and vaccines administration services listed below that equal at least sixty percent (60%) of the Medicaid codes they have billed during the most recently completed calendar year but does not have an ACOG certification, or
- 3) Physician, newly enrolled as a Medicaid provider, with a primary specialty/subspecialty designation in obstetric/gynecologic medicine and attests that the evaluation and management services and vaccines administration services listed below will equal at least sixty percent (60%) of the Medicaid codes they will bill during the attestation period, or
- 4) Non-physician practitioner providing primary care services in a Practice Agreement with a qualified physician enrolled for increased primary care services.

Primary Care Services' reimbursement applies to certain Evaluation and Management (E&M) and Vaccine Administration Codes. The state reimburses vaccine administration services at the Mississippi regional maximum administration fee set by the Vaccines for Children (VFC) program for self-attested primary care physicians and self-attested primary care OB/GYN physicians. To receive reimbursement for vaccine administration to a VFC-eligible beneficiary, a self-attested primary care physician or self-attested primary care OB/GYN physician provider must also be enrolled as a VFC provider.
